REQUEST FOR REFUND

Sir:

Applicants hereby request a refund of \$180.00 charged with the filing of an Information Disclosure Statement ("IDS") with respect to the above-identified application.

The IDS was filed on December 11, 2009 and included references cited in a counterpart Japanese application. A copy of the transmittal of the IDS is attached hereto as Exhibit A. As set forth at page 2 of Exhibit A, pursuant to 37 CFR §1.198(c)(1), since the IDS was based on references received from a foreign patent office in a counterpart foreign application within three prior months, no fee was required for consideration of the IDS.

Attached hereto as Exhibit B is a partial print-out taken from Applicants' Deposit Account. As noted, on April 9, 2010, a charge of \$180.00 was applied against this Deposit Account for Code 1806, which relates to the consideration of an IDS. As indicated above, this fee was not necessary.

Application No.: 10/533,063
Docket No.: 102-680 PCT/US/RCE
Page 2 of 2

It is noted that an Office Action was issued on October 30, 2009. Attached hereto as Exhibit C is the Office Action Summary Sheet from the October 30, 2009 Office Action indicating that the action was marked final. However, an amendment and a Request for Continued Examination ("RCE") were filed on February 1, 2010, with the RCE being denied entry. Attached hereto as Exhibit D is a Reply to Notice of Improper Request for Continued Examination filed on April 2, 2010. As set forth therein, the October 30, 2009 Office Action was inadvertently marked as being final. The Office Action was in fact non-final. As such, no fee was required for consideration of the IDS. In view of the foregoing, Applicants hereby request a refund of \$180.00 to Deposit Account No. 08-2461 for the filing of the IDS.

Favorable action is earnestly solicited. If there are any questions or if additional information is required, please contact Applicants' attorney at the number listed below.

**REPLY TO NOTICE OF IMPROPER
REQUEST FOR CONTINUED EXAMINATION**

Sir:

A Notice of Improper Request for Continued Examination (RCE) was mailed on March 3, 2010 indicating that a Request for Continued Examination filed on February 1, 2010 with respect to the above-identified application was improper. In particular, it was indicated that the RCE filing was in a reply to a non-final Office Action.

For the record, an Office Action was issued on October 30, 2009 which, on the Office Action Summary Sheet, was indicated to be Final. In response to the October 30, 2009 Office Action, an Amendment and a Request for Continued Examination was filed on February 1, 2010.

After receipt of the March 3, 2010 Notice of Improper RCE, this office was informed by Examiner Dennis Heyer, the Examiner who issued the October 30, 2009 Office Action, that the Office Action was inadvertently marked as being Final. In fact, the Office Action was non-final.

In view of this mistake, Applicants hereby accept the denial of entry of the Request for Continued Examination. If in fact the October 30, 2009 Office Action is found to have been correctly marked Final, Applicants hereby request automatic reinstatement of the Request for Continued Examination.

Commissioner for Patents

NOTICE OF IMPROPER REQUEST FOR CONTINUED EXAMINATION (RCE)	Application No. 10/533,063	Applicant(s) SHORT ET AL.	
		Art Unit 1600	Date Mailed:

The request for continued examination (RCE) under 37 CFR 1.114 filed on 01 February, 2010 is improper for reason(s) indicated below:

1. ☐ Continued examination under 37 CFR 1.114 does not apply to an application for a design patent. Applicant may wish to consider filing a continuing application under 37 CFR 1.53(b) or a CPA under 37 CFR 1.53(d). An RCE cannot be treated as a CPA.
2. ☐ Continued examination under 37 CFR 1.114 does not apply to an application that was filed before June 8, 1995. Applicant may wish to consider filing a continuing application under 37 CFR 1.53(b).
3. ☒ Continued examination under 37 CFR 1.114 does not apply to an application unless prosecution in the application is closed. If the RCE was accompanied by a reply to a non-final Office action, the reply will be entered and considered under 37 CFR 1.111. If the RCE was not accompanied by a reply, the time period set forth in the last Office action continues to run from the mailing date of that action.
4. ☐ The request was not filed before payment of the issue fee, and no petition under 37 CFR 1.313 was granted. If this application has not yet issued as a patent, applicant may wish to consider filing either a petition under 37 CFR 1.313 to withdraw this application from issue, or a continuing application under 37 CFR 1.53(b).
5. ☐ The request was not filed before abandonment of the application. The application was abandoned, or proceedings terminated on _____. Applicant may wish to consider filing a petition under 37 CFR 1.137 to revive this abandoned application.
6. ☐ The request was not accompanied by the fee set forth in 37 CFR 1.17(e) as required by 37 CFR 1.114. Since the application is not under appeal, the time period set forth in the final Office action or notice of allowance continues to run from the mailing date of that action or notice.
7. ☐ The request was not accompanied by a submission as required by 37 CFR 1.114. Since the application is not under appeal, the time period set forth in the final Office action or notice of allowance continues to run from the mailing date of that action or notice.

Note: A continued prosecution application (CPA) under 37 CFR 1.53(d) cannot be filed in a utility or plant application. A CPA filed in a utility or plant application that has a filing date **on or after June 8, 1995** will be treated as an RCE under 37 CFR 1.114. The request for a CPA in the instant application, however, has been treated as an improper RCE for the reason(s) indicated above.

A copy of this Notice MUST be returned with the reply.
